

## **Full Wedding Planning Package - \$3000**

Our Full Wedding Planning Package offers a comprehensive suite of services designed to take the stress out of planning your dream wedding. Priced at \$3000, this all-encompassing package ensures every detail, from vendor selection to the final moments of your wedding day, is handled with expert care and precision.

### **1. Vendor Selection and Coordination:**

- **Venue:** Assistance in finding the perfect venue that aligns with your vision and budget. We will coordinate visits, negotiate contracts, and manage communications.
- **DJs/Musicians:** Sourcing and securing talented DJs or musicians who can create the desired ambiance and keep your guests entertained.
- **Photographer/Videographer:** Selecting a professional photographer and videographer to capture the beauty and emotions of your day.
- **Decorator:** Finding a decorator who can bring your wedding theme and color scheme to life, transforming your venue into a stunning backdrop.
- **Caterer:** Helping you choose a caterer that meets your taste preferences and dietary requirements, including organizing tastings and discussing menu options.

### **2. Invitation Management:**

- Managing the design, printing, and distribution of wedding invitations. We also track RSVPs and follow up with guests to ensure accurate attendance counts.

### **3. Cake Tasting and Selection:**

- Arranging cake tastings with reputable bakers to help you select the perfect wedding cake that tastes as good as it looks.

### **4. Attire Assistance:**

- Providing support for bridal dress shopping, wedding party attire, and tuxedo selections, ensuring styles are cohesive and fitting appointments are scheduled.

### **5. Wedding Theme Conceptualization:**

- Assisting in the development of a wedding theme that reflects your personality and style, advising on color schemes, décor, and overall ambiance.

### **6. Guest Accommodations:**

- Facilitating hotel bookings for out-of-town guests, ensuring comfortable accommodations are secured at preferential rates.

#### 7. **Day-of Coordination:**

- An on-day coordinator will ensure both the vendor setup and wedding party preparations run smoothly, adhering to the planned timeline for a seamless celebration.

#### 8. **Rehearsal Dinner Coordination:**

- Organizing and coordinating the rehearsal dinner, including venue selection, menu planning, and guest management.

#### 9. **Comprehensive Wedding Day Timeline:**

- Creating a detailed timeline for the wedding day to organize every aspect, from the start of the day to the end, ensuring a fluid experience for you and your guests.

#### 10. **Guest Seating Management:**

- Overseeing the seating arrangements for the ceremony and reception, ensuring guests are seated according to your plan.

#### 11. **Post-Wedding Clean-Up Coordination:**

- Coordinating the cleanup of the venue at the end of the wedding to ensure all personal items are collected, and the venue is left in pristine condition.
- 

#### **Package Highlights:**

- **Personalized Planning:** From the initial consultation to the final execution, you will receive personalized planning services tailored to your unique needs and vision.
- **Vendor Liaison:** Acting as your primary point of contact for all vendors, we handle negotiations, payments, and day-of coordination to ensure a cohesive and stress-free event.
- **Attention to Detail:** Our meticulous attention to detail ensures that every element of your wedding, from the invitations to the farewell, is executed flawlessly.

- **Stress Reduction:** With our team handling the intricacies of planning, you can enjoy the excitement of your engagement without the stress of managing multiple vendors and logistics.
